

## Couchiching Point Residents' Association News for 2017

**Fall Get-Together** - This year our annual get together will take the form of a party to be held in the yards behind 675-685 Broadview on Saturday September 16th at 1:00 pm. (PLEASE NOTE NEW DATE AND TIME). Anyone who lives on the Point is welcome to join in. Pizza, Dessert and soft drinks will be served. Some games will be available. Let's hope changing the date we will have good weather. However, in the case of poor weather the venue will be at the Geneva event Centre on West street. Don Porter has very kindly offered us use of it. We thank him for his generous offer. There will be an open bar in this case.

**Winter and Spring** - The Dougall canal Working Committee worked with the City on creating a new bylaw 2017-88 passed on July 20, 2017 for the canal lots. There is to be a committee working to plan for the long-term maintenance of the canals.

**Annual Yard Sale** - On June 3rd this annual event took place and once again appeared to be a great success and brought many outsiders to our Point. It has become a known event within the city!

**Mariposa Festival** this year appears to have been no problem and was certainly enjoyed by many of our residents as well as outsiders.

CPRA Golf Tournament - as we had no one who volunteered to run this event for this year we had to cancel it. If anyone is interested in volunteering for next year please let us know at [bntbnb@gmail.com](mailto:bntbnb@gmail.com) OR if someone has an idea for a different event that a large group of us could participate in we would like to hear from you.

History of the Point - Alda McMahon is still working hard adding information to the web site – [www.couchichingpoint.yolasite.com](http://www.couchichingpoint.yolasite.com).

If you have any historical information, which you think would be of interest to Alda, could you please contact her at 705-259-0416 or [aldamcmahon@rogers.com](mailto:aldamcmahon@rogers.com).
